Описание установления плаги́на и метода оплаты

Как установить плагин

Для установления плагина перейдите по строке Plugins и выберите Add New

The screenshot shows the WordPress dashboard interface. On the left is a dark sidebar menu with the following items: Home Help Blocks, Home Org Blocks, Testimonial, Pages, Comments (1), Contact, TablePress, Appearance, Plugins (8), Users, Tools, WPBakery Page Builder, Settings, Slider Revolution, All Import, Languages, and Manual Options. The 'Plugins' menu item is highlighted, and a sub-menu is open showing 'Installed Plugins', 'Add New', and 'Plugin Editor'. The main content area displays a notification: 'Installation/Upgrade Of Required Plugins Needed'. Below this, it states: 'This theme requires the following plugins: [LearnPress - Course Wishlist](#) and [Leampress - Course Review](#). There is an update available for: [Redux Framework](#).' A 'Go Manage Plugins' button is present. Further down, a message asks: 'Hola! Would you like to receive automatic updates and unlock premium support? Please [activate your copy](#) of WPBakery Page Builder.' The main heading is 'UpdraftPlus!' followed by the text: 'Secure your WordPress site with our other top plugins:'. Below this are three links: '[UpdraftPlus Premium](#): For personal support, the ability to copy sites, more storage destinations, encrypted backups for security, multiple backup destinations, better reporting, no adverts and plenty more, take a look at the premium version of UpdraftPlus - the world's most popular backup plugin. [Compare with the free version](#) / [Go to the shop](#).'; '[UpdraftCentral](#) is a highly efficient way to manage, update and backup multiple websites from one place.'; and '[WP-Optimize](#): Makes your site fast and efficient. It cleans the database, compresses images and caches pages for ultimate speed.' At the bottom, it says: '[Free Newsletter](#): UpdraftPlus news, high-quality training materials for WordPress developers and site-owners, and general WordPress news. You can de-subscribe at any time.' and 'More quality plugins : [Premium WooCommerce plugins](#) | [Free two-factor security plugin](#)'.
